

U.S. HUMANITARIAN ASSISTANCE TO GAZA - Update November 4, 2014

On July 21, 2014, U.S. Secretary of State John Kerry announced that the United States is providing \$47 million to help the humanitarian situation in Gaza. To address the urgent needs in Gaza, USAID is drawing from these funds to provide food; clean water; basic commodities; health care and medical assistance; and shelter protection. As of November 4, USAID has provided the following assistance.

1.8 Million Beneficiaries

- 432,000 Liters of fuel to water facilities.
- 325,720 1.5 liter water bottles.
- 20 Water bladders each carrying 10,000 liters.
- 10.9 Million liters of potable water.

801,000 Beneficiaries

- 45,100 Multi-week family food packages.
- 2,802 Metric tons of wheat flour.
- 638 Metric tons of ultra-high temperature milk.
- 600 Metric tons of canned peas.
- 400 Metric tons of canned tuna.
- 346 Metric tons of canned meat.
- 49 Metric tons of biscuits.

705,800 Beneficiaries

- 111,321 Family hygiene kits.
- 12,576 School bags.
- 6,840 Two liter containers of liquid soap.

84,800 Beneficiaries

- 14,322 Mattresses, pillows, and blankets.
- 10,080 Plastic sheeting used for emergency shelter needs.

75,000 Beneficiaries

- 15,800 Liters of fuel delivered to one hospital and two health clinics in Gaza in order to generate electricity.
- 7 Large medical kits that include medical supplies, equipment, and pharmaceuticals.
- 1 Emergency medical team comprised of four staff members to serve in a hospital in Gaza.
