Dun & Bradstreet (D&B) is pleased to announce that a new authentication security protocol, to further safeguard your business identity, has been added to the D-U-N-S Number request process for entities doing business with the US Federal Government.

Our updated site:

- Establishes an association between you and the businesses you select
- Authenticates you "are who you say you are" by asking you to answer a few individual based challenge questions
- Still requires that you be a principal, owner, officer or responsible manager of the entity for which you are:
 - Viewing an existing D-U-N-S
 - Requesting a new D-U-N-S
 - Requesting changes to an existing D-U-N-S

Authentication is a one-time process and once completed, you are given an ID and PW so you may easily re-enter the system when needed. If you should have any additional questions, please review the FAQ's or email us at gov@dnb.com. Click Continue to Government iUpdate to begin.
